

# Welcome to Year 1

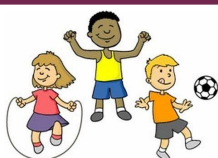

We hope your child is going to have a wonderful time in Year 1!

## PE

PE lessons will be on **Monday** and **Tuesday** each week.

Your child's PE kit can stay in school and will be sent home at the end of each half term.

## Snack

Children in Year 1 are given a piece of fruit to eat either before or after playtime every day.

## Home Reading Books

Monster Phonics books will be sent home on a Thursday, and collected in on the following Monday.

A supporting reading book will be sent home on a Monday and changed the following Monday.

Please sign the reading record to show your child has practised for 10 minutes every day.

Reading records can remain in your child's school bag throughout the week so that we can practise reading in class as well.

## Homework

Children won't receive a homework book this year. However, they will be sent home with a 'Maths Passport', including 5 activities which can be practised with your child throughout the half-term. Please sign and date each time you practise these activities with your child, and return the passport before half-term.

## Termly Homework

Children will receive an activity-based homework task which will be linked to your child's learning. This will be sent out before the half-term holidays. Hopefully you will have fun working together on these activities!

## Tuesday afternoon

Each Tuesday afternoon, Year 1 will be taught PE by our coach Jordan and then will be taught RE by Miss Ashcroft.

## Phonics

We will have daily phonics lessons which will help your child learn to become a confident reader and prepare them for their Phonics Screening Test in June 2026. More information will follow later in the year, however, reading with your child as often as possible will support them in being ready for this assessment.

## Open School

You are welcome to come into Year 1 next Monday 8th Sep, between 3.20pm and 4pm, to look around our classroom.

We look forward to working with you over the next year. Please don't hesitate to get in touch by contacting the school office if you have any queries. You can also catch us after school on the playground.
