

Welcome to Year 2

Dear Parent/Carer,

Welcome back! We hope you have had a relaxing and peaceful summer break. We have already enjoyed catching up over the holidays and have settled in brilliantly already! The children are very excited for a jam-packed year full of fun and exciting new topics.

Your child's reading record should already have come home by now in your child's book bag. Regular home reading helps Year 2 children practice and reinforce the reading skills they learn in school. At this age, children are transitioning from learning to read, to reading to learn. Frequent practice helps improve their fluency, accuracy, and comprehension. As well as this, regular home reading fosters a love of reading, boosts self-confidence and increases focus and concentration.

Please don't hesitate to come and see me either before or after school if you have any questions or queries, we are always available for a quick chat at the end of the day or, alternatively, you can arrange an appointment via the School Office.

Thank you for your continued support.

Open Classroom

You are welcome to come into school on Monday (8th), between 3.20pm and 3.45pm, to look around your child's new classroom.

Homework

Homework will be outlined half termly in a separate letter home next week. This will consist of suggested activities to help support your child's learning at home instead of weekly tasks.

Termly Homework Project

Create a map which shows the journey you take from home to school. Make sure to include any interesting landmarks you pass along the way!
